List or attach extracurricular activities in which you have been involved during your high school career:

Write a short essay (1-3 paragraphs) choosing one of the following topics:

1) During your tenure at HHS, has anyone from Hartford High school made an impact in your life? If so explain.

2) Define School Pride. What does being a HHS Alum mean to you? Are there members of your graduating class who stand out as being a proud HHS graduate? The essay maybe attached to the application or completed below.

The Hartford High School Alumni Association scholarship committee is responsible for selecting and awarding the recipient(s). The award will be presented at the HHS Alumni Association Banquet held the Saturday of Memorial Weekend at 6:00 pm in the HHS new gymnasium. Attendance is required to receive the scholarship. If for some reason the student is unable to attend the banquet, they must notify Megan Wilson via text or phone call at 620-341-2027. It is up to the committee to determine if the reason for absence is excusable. Excused absences have been granted for students who are competing in the state track meet, and a student who was a foreign exchange student during the time the banquet was held. By signing below, the student and one parent/guardian acknowledge that **attendance at the banquet is a requirement** to receive a scholarship from the Alumni Association.
